Image supplied. The One Club for Creativity's Global Creative Rankings 2023 have been announced with ? and us Dubai named the Regional Agency for the Middle East and Africa.

FCB New York was crowned Global Agency of the Year, with FCB Global finishing as Agency Network of the Year in Rankings 2023.

The Rankings incorporate all the results from all of the Club's leading global, regional, and local awards shows.

The annual year-end global benchmark report is a comprehensive ranking of agencies, brands and individuals based on points earned from winning entries in The One Show 2023, ADC 102nd Annual Awards, Type Directors Club TDC69 competitions, Art Directors Club of Europe ADCE 2023 Awards, ONE Asia Creative Awards 2023, and The One Club Denver, San Diego, and Miami chapter 2023 awards programmes.

In addition to the global list, rankings within specific countries and regions can be viewed.

"The Global Creative Rankings is the industry's most comprehensive and transparent ranking," says Kevin Swanepoel,

CEO, The One Club. “There are no hidden weightings in calculating the rankings, and unlike others, it’s not hidden behind a paywall. As the industry’s foremost nonprofit organisation for the global creative community, The One Club is in a unique position to provide this free, definitive measure for global creative excellence to everyone in the industry.”
