Nestled in the vibrant heart of Cape Town, Pullman Cape Town City Centre by Accor offers a prime location that blends business, leisure, and luxury. A recent stay at this 5-star establishment was nothing short of exceptional, offering an experience that combined productivity with relaxation.

In September 2023, the Accor group acquired Pullman Cape Town City Centre, previously operating as the Radisson Blu Hotel. This acquisition signalled the introduction of the Pullman Hotel and Resorts brand to South Africa. Situated within the renowned Triangle House, a 104-meter-tall skyscraper renowned for its architectural excellence, the hotel features a unique triangular layout designed to optimise natural light and coastal breezes in every room.
