

# Do-It Slot Hang Tabs - Vertical display, maximum visibility

Issued by [Pyrotec](#)

13 May 2015

Do-It® Slot Hang Tabs form part of Pyrotec PackMedia's range of merchandising solutions.

Slot hang tabs are our most popular and versatile hang tabs as these are characterised by a delta-hole style allowing these to be hung on any peg fixture - single or double; the result being display flexibility as products can be displayed in several locations in the same retail store.

If **exposure** is what you are looking for, the Slot hang tab is for you. Apply this hang tab to your product and transfer it from lying flat on shelves to a vertical, face-forward display to increase visibility and ensure that your product gets seen by consumers.

Our Slot Hang Tabs are available in two varieties and suitable for products such as cold meats and DVD/CD packages; and the clear tab won't interfere with your product message.
