This year marks eight years since the world lost Nelson Mandela, and 12 years since the decision by the UN General Assembly to officially declare his birthday, 18 July, international Mandela Day, as a call to action for global citizens to celebrate the life and legacy of Madiba with actions that address social injustice.

Thank you to those who are making a difference in your communities and in the world, whether via your media platforms, advertising and communications messages that inspire purpose, delivering food parcels, making masks, teaching online or making donations towards the efforts of others.

Please feel free to share with us how your organisation is rising to the Mandela Day challenge and keeping the legacy alive by sending stories and footage of your activations to csinews@bizcommunity.com or find your specific industry editor [here](#).

Registered NGOs/NPOs who would like to be listed on the #MandelaDay donations page please mail mandeladay@bizcommunity.com for consideration.
