If you're a highly skilled intermediate full stack C# developer seeking remote work with an awesome company, then this opportunity is exactly what you've been searching for.

This organisation specialises in bespoke Enterprise Resource Planning (ERP) software solutions, although as a business they also deal with custom software development across various industries. They typically hire well rounded developers with a passion for what they do, and seek individuals that can work individually, but also work well in collaborative teams.

Skills we're looking for:

- C#
- .NET Core
- SQL
- Web API
- Angular
- TypeScript
- Blazor

Do you qualify?

- Relevant degree (computer science, engineering, or similar)
- Three-plus years software development experience

The reference number for this position is **BRM58238** which is a **permanent remote** position offering a cost to company of up to **R650,000 per annum** negotiable on experience and ability. Contact Bryce at brycem@e-merge.co.za or call him at 011 463 3633 to discuss this and other opportunities.

Are you ready for a change of scenery? E-Merge IT recruitment is a specialist niche recruitment agency.
