

## **Correction: Ogilvy Joburg, not Ogilvy Cape Town, won Grand LIA**

Ogilvy Cape Town was mistakenly credited for winning the Grand LIA for its Selinah TVC for the Topsy Foundation in the [editorial column](#) yesterday, Monday, 15 November 2010. It is, in fact, Ogilvy Johannesburg which is responsible for the ad and thus the winner of South Africa's first Grand LIA. Bizcommunity.com apologises for the error.
