

iDidTht.com Craft Awards September 2018: MTN does it again

iDidTht's September SA Film Reel Monthly Craft Awards were judged by Bridget Johnson, consulting ECD at Wick, who selected MTN's 'The Steve Tshwete Story' by Zee Ntuli from Darling Films for Best of Reel.

“ Congrats to Zee Ntuli from Darling Films for MTN ‘The Steve Tshwete Story’. This is a really compelling piece of film. It draws you in with those beautiful, evocative early morning shots on the way to Robben Island and then holds your attention with a combination of interesting framing, considered sound design, edit and a restrained script. Really, really nicely done. ”
