"*Moneyweb* has always been the leading platform for business, financial and investment news in South Africa, but this venture expands the editorial offering to general news," says *Moneyweb* editor Ryk van Niekerk.

"The South African political and economic landscape has changed significantly over the past few years, and adding coverage of all news events to our editorial offering has become essential," he adds.

The show includes exclusive interviews with industry leaders, executives of top companies, political figures, and influential newsmakers, offering unique insights and comprehensive analysis.

4 decades of experience

Maggs brings a wealth of experience to the show, with a career spanning four decades across television, radio, and print journalism.

His extensive resume includes significant roles such as hosting eNCA's weekday lunchtime news programme and serving as the editor-in-chief of eNCA and editor of *Radio 702's Eyewitness News*.

"It is fantastic to have someone with the experience of Maggs to present the show," says van Niekerk.

The show is live streamed on the *Moneyweb* website and its mobile app as well as a podcast on the app, the *Moneyweb* website, and all major podcast platforms such as Spotify, Google Podcast and Apple Podcasts.
