The recall by Clover comes after peanut butter product recalls including Pick n Pay’s 1kg No Name, Dischem’s Lifestyle Brand 400g, 800g of their smooth and crunchy, Wazoogles in various sizes, Eat Naked in various sizes, and Woolworths’s Peanut Butter Dairy Ice Cream, last month as the products failed to meet acceptable levels of aflatoxin.

According to the NCC, the product was distributed to about 993 retailers. Consumers who are in possession of the Clover Go Nuts 400g peanut butter with the best-before date 12, 18 and 19, July 2025, have been urged to stop consuming the product and return it to the point of purchase for a full refund.

The NCC has also called on all producers, manufacturers, and suppliers of peanut butter, peanut butter-based products or products containing peanuts to immediately test their products for aflatoxin levels and submit their results.
