

## Bank of Creativity to host a meetup in Cape Town

UK-based creative agency Bank of Creativity will be holding a meetup across four locations in the United Kingdom and South Africa on 29 August 2019. The Cape Town event will be held at HQ Restaurant on Buitenkant Street in the Cape Town CBD.

The evening will be informal in its setup but will be facilitated in a way that allows quick, key conversations between attendees. A short presentation will welcome everyone and explain the idea behind the gathering.
