

Makro mRewards' partnership with Caltex and UCount Rewards earns customers cash back

Makro mRewards partners with Standard Bank UCount Rewards and Caltex to ease the fuel burden. At participating Caltex forecourts around the country, Makro will reward its customers for fuel and oil purchases with up to R10 back in rewards points.

On IOS, Google Play Store and App Gallery, customers can download the mCard App (mRewards) and also apply for a digital card at Makro's [website](#).
