EduWeek exhibition

The 9th annual SABC Education African EduWeek is widely regarded as the premier, all-encompassing education event on the African continent. It is taking place from 1-2 July in the Gallagher Convention Centre with more free-to-attend educational training and development for teachers, a futuristic look at teaching and dozens of suppliers with the latest classroom technology and services.

Enter a world of educational knowledge at African EduWeek and view the latest products and services for the education sector in areas that include basic education, IT, higher education, publishing, inclusive education, science and maths, safety and security, sustainability and energy efficiency and school supplies and stationery.

African EduWeek is organised by Spintelligent, Cape Town-based trade exhibition and conference organiser, and the African office of Clarion Events Ltd, based in the UK.
