

There's still time to enrol with Eduvos

Issued by [Eduvos](#)

2 Feb 2022

Just in case you think you've missed the opportunity to study further in 2022, we're here to remind you that there's still time. Orientation and classes start from 21 February 2022 so we really encourage prospective students to register before classes start.

Eduvos offers a range of qualifications to choose from, with 27 degrees in the faculties of Applied Science, Commerce & Law, Humanities & Arts, and Information Technology and postgraduate options in honours. If you did not achieve the minimum entrance requirements for your desired degree option, Eduvos offers higher certificates that would give you the necessary pathway into your desired degree.

How can I register?

First you need to apply. You can do this [online](#) or you can visit any of our [12 campuses](#) across South Africa. The application fee is R300 to secure your seat with Eduvos.

After applying, you can complete your registration at any of our campuses or contact one of our Higher Education Consultants (HEC) to assist with online enrolment. The sooner you register, the better your chance of securing your space for the qualification you would like to study.

Our Eduvos campuses are open Monday to Thursday 8am to 4.30pm, Fridays 8am to 4pm and selected Saturdays 8am to 1pm. Please contact your closest campus to confirm.

Prefer to register on campus?

We'd love to welcome you! Here is what you need to bring:

- Copy of secondary schooling results (e.g., NSC, IEB, GED)
- Copy of student ID or passport
