

Turkish Airlines now flies directly between Antalya and Algeria

Turkish Airlines has added an Antalya-Algeria-Antalya route to its flight network during this year's summer season in Europe.

The airline will operate these flights three times a week between Antalya and Algeria, making it easier to reach Turkey's tourism centre directly from North Africa.

For more about the new flight schedules, go to www.turkishairlines.com, or call +27 0861 88 75 47.
