This year's world-class Grand Jury comprises distinguished radio industry leaders from 19 countries across six continents. This jury panel of 100+ esteemed content creators, industry visionaries, and iconic voices, includes directors, producers, journalists, writers, and sound artists who personify passion and innovation in audio entertainment.

"We are thrilled to welcome these globally recognised super-achievers to the 2024 Grand Jury," said Rose Anderson, EVP & executive director New York Festivals Radio Awards.

"Their collective wealth of hands-on knowledge, their commitment to excellence and the proven mastery of their craft in fields as diverse as investigative journalism, audio books, drama, talk, and live events show how robust the world of radio is today."
