

AEL appoints Koos Theron as its campus principal

The Academy for Environmental Leading SA has appointed Koos Theron as the campus principal for its Uizip in Uppington. Theron will be tasked with all student affairs including accommodation and meals, supervision and well being, plus the general upkeep of the campus, infrastructure, and staff affairs.

Theron had a long and successful career in the South African National Defence Force. As part of his duties, he was responsible for the settlement of young recruits, military staff, logistics, financial and strategic planning. After his military career, Theron led several security-oriented assignments in Africa.
