

## See: Engen helps Stellenbosch's homeless this winter

Engen partnered with StellCare Family Services, SAPS and the Gift of the Givers and distributed winter items to the community.

Collection points were set up at 10 participating Engen service stations in the Western Cape where the Gift of the Givers received the donated items. In addition, 150 blankets, 150 hats and 250 pairs of boots - 100 for children and 150 for adults - were donated by Engen's corporate office.
