The PRISM Awards has ditched its paperwork and moved the entry system for the 2016 awards exclusively online. The deadline for entries is 15 February 2016, with the prestigious awards ceremony scheduled for Sunday, 17 April 2016.

Now in its 19th year, the PRISM Awards are presented to public relations and communication professionals who have successfully incorporated strategy, creativity and professionalism in public relations and communication programmes and strategies that showcase a successful public relations campaign.

"It is now easier than ever to enter the PRISM Awards," says PRISM Awards Convenor, Bridget von Holdt. "Entrants can look forward to a far more convenient, cost-effective, simpler and quicker process than in previous years."

Whilst the new system will benefit all entrants into the awards, it will also streamline the entire awards process: improving response times and accuracy, whilst reducing inefficiencies. "Online entries are the first phase in making the PRISM Awards more streamlined," says von Holdt. "We are also considering taking the judging process online."
