After a hugely successful first half of [The Great Domains Rush promotion](#), we are happy to announce that from 1 October 2022 the Registry has dropped the renewal price on all .africa & .joburg, .durban and .capetown domains to R90.00* p/y.

This is a massive saving as the annual renewal prices for these domains are currently R270 and R340 respectively.

The **annual renewal reduction of africa, .joburg, .durban and .capetown** domains make it possible for companies to build a domain name strategy for their business without breaking any budgets.

If there was yet another excellent reason to **stake your claim** at only R3.00* a domain in [The Great Domains Rush](#) – this is it.

But wait, there's more...

If you have your eye on registering a **new .africa, .joburg, .durban and .capetown** domain you can register it for only R90.00* from 1 July 2022.

What is The Great Domains Rush?

.capetown and **.durban** domains for only **R3.00*** each...

...and now going forward you'll be able to renew these matching domains at *only* R90.00 p/y.
