The brand-new production and major world tour of Queen and Ben Elton's multi-award-winning rock musical *We Will Rock You* is currently running at the Artscape Theatre Centre in Cape Town until Sunday, 4 June 2023 and thereafter continues in New Zealand before embarking on various territories abroad.

We Will Rock You is not a tribute show, nor does it tell the story of Queen or the legendary Freddie Mercury. Instead, *We Will Rock You* is a large full-scale new vision musical theatre production with its own storyline set to the music of Queen's most popular hits.

The production features 24 of Queen's hit songs including *Crazy Little Thing Called Love*, *Killer Queen*, and global favourites *We are the Champions*, *Bohemian Rhapsody* and of course, *We Will Rock You*.

The highly talented cast is a combination of established, well-known performers and fresh new talent.

I recently caught up with Tiaan Rautenbach, who plays the character of Buddy, and has played roles in *Jesus Christ Superstar*, *Binnelanders* and *Aspoestertjie*.
